Proposal to Amend NIU Bylaws, Article 8, Other Standing Committees of the University

The CSEQ Committee met April 19, 2023, and unanimously voted to dissolve this committee. This proposal comes with the support of NIU Chief of Police Darren Mitchell and AVP for Facilities Management and Campus Services John Heckmann, who have historically had a vested interest in the committee.

Currently Police and Public Safety, Facilities Management and Campus Services, and Environmental Health and Safety have mechanisms and workflows in place to respond to the needs of the university community without the assistance of this committee. This appears to be evident as the committee has entertained few requests for assistance from the university community in recent years in accordance with the scope of the committee bylaws.

Furthermore, there is optimism that the spirit of the committee bylaws will be incorporated into existing related student-centric committees and/or emerging committees including but not limited to the Environmental Sustainability Task Force and the Presidential Commission on Well-being.
