V. PUBLIC COMMENT

VI. ITEMS FOR FS STEERING COMMITTEE CONSIDERATION

A. Operating outside the academic year
Discussion and recommendation

Discussion included the following points:

- Preference to task the Steering Committee with this duty as it is already in place, and members are knowledgeable of FS operating procedures.
- Membership terms to extend until the FS convenes in the fall.
- Who can call for a meeting?
- What is the scope of authority? What is a pressing or urgent matter? When delaying would lead to significant negative consequences?
• The full FS membership should be notified when the Steering Committee is convening outside of the academic year, including a description of the business to be addressed.
• A full report of actions taken outside the academic year should be presented during the first fall semester FS meeting.
• Acknowledgement that a FS Steering Committee quorum would automatically include a faculty majority.

There was consensus to move forward, and FS President B. Creed was charged with refining the proposal based on today’s discussion for further review at the February 14 FS Steering Committee meeting.

B. Academic calendar authority discussion and recommendation

Consensus that this proposal can go forward as is.

Consensus that these proposals outlined in VI. A. and B. should be brought forward to FS together.
