Edye Cowan; Syeda Kirmani

Dear Edye,

I am writing to inform you that I read and approve of Syeda Asiya Krmani's Capstone project paper. Since I am on sabbatical and that I have a visual disability, I incline not to drive up to DeKalb to submit the official form with my signature. Syeda told me that my email to you will suffice.

Let me know if there are any problems.

Best,

Hidetada Shimizu
